

PRECAUTIONS FOR KIDS IN MONSOON SEASON!

KEEP SURROUNDINGS CLEAN

To help protect against
infections & flu

WASH HAND FREQUENTLY

To protect
against germs

AVOID STREET VENDORS

Uncovered food
attracts flies and
contaminates it

GET RID OF STAGNANT WATER

Standing water is a
breeding ground for
many insects!

USE MOSQUITO REPELLENTS

To prevent cases
of dengue, malaria
etc

ELECTRICAL SAFETY

Mark warning signs on
electrical outlets to
protect kids zapped
