CARITAS PAKISTAN

4. Both districts

3. The trials farmers were provided with training inputs like seed and fertilizer. Millet, moong and peanut were laid out at farmer’s field. Randomized Complete Block Design was adopted for laying out trials. Sargodha district a total of 210 research trials of rice, maize and sunflower were laid out. Whereas in district Khushab 270 trials of rice, sunflower and soybean were laid out.

2. In order to enhance capacity of staff, weeds manually from plots.. The VRPs and trials farmers have also started doing AESA (Agro Ecosystem Analysis). In AESA they observe general effects of flooding and climate change. VRPs and DPOs together with SHFC and ODI will also act as wind breakers and add to farm components and connections. Another purpose of this border plantation is to reduce the amount of storm water runoff, which reduces soil erosion and pollution in waterways and may reduce the effects of flooding and climate change. Border Plantation

1. I am happy to present you the noble idea of Foundation for the future. Of course I am sure that Caritas Pakistan is running all over again and again. I want to congratulate newly ordained as Bishop of Faisalabad Diocese. I believe our efforts will bear fruit and will be able to implement new ideas and useful projects for the development of our communities. God bless Pakistan!

CARITAS INITIATIVE FOR EDUCATION PROMOTION (CIEP)

First batch of graduates from Caritas Community Schools

Sixty-seven children passed out from Caritas Community Schools at kot Radha Kishan, district Sohbatpur, Lahore. The ceremony was inaugurated by Mr. D. Padma, Managing Director, Catholic Institute for Theology, Karachi. Mr. Samuel, Executive Director, Caritas Pakistan explained that registration of students for the next academic year is going on very well. The children who have come out from CIEP are of 12 years age. They have been provided with quality education.

Govt. of Punjab has started the program of free education for the poor students of the province. The government has provided 225000 teachers for free education for children. In this context Caritas Pakistan is running 25 multi-grade schools for dropouts in four dioceses of Hyderabad, Faisalabad, Karachi and Lahore. The female teachers also presented the report of community schools. We have to mobilize more children to come to our schools and have to improve our projects. Education without training is incomplete. Our graduates can easily implement new ideas and useful projects for the development of our communities. God bless Pakistan!
**Caritas Calling**

A distribution of water bottles was held on 18 July 2021 in the area of Mirpur and Mumtaz, Mingora and (Goven洽谈) Gundam and Fakrul Chowk in lower area of E-6, Cantik (Executive Secretary CFR) in distributing the water bottles.

Flooding continues in Karachi

The death toll in Karachi continues to rise, with 108 most vulnerable being killed in the flood. According to data from the Karachi Municipal Corporation (KMC), 18 people have died in the city since the monsoon season began. Another 40 people are still missing.

Shafiq and Gulzar of Divisal (Secretary General KMC) is constantly monitoring the situation. Mr. Javed Khan (Executive Director KMC) is also spending his days and nights in precautionary measures.

**Climate Change Risk**

Launching of Caritas Eco Green Clubs (CEGC)

Rev. Fr. Saleh Diego, Vicar General, Archbishop of Karachi, launched the Campaign for Climate Action in Karachi, which is aimed at raising awareness about climate change and promoting actions to mitigate its effects.

The campaign, which was launched at the Cathedral of Our Lady of the Rosary, seeks to engage young people in the city in activities that promote sustainable living and reduce their carbon footprint. The event was attended by government officials, NGO representatives, and members of the public.

The campaign will include a series of activities, such as workshops and seminars, to educate young people about the impacts of climate change and the importance of taking action to address it.

The campaign will also encourage young people to adopt sustainable habits in their daily lives, such as using public transport, reducing energy consumption, and using renewable energy sources.

Mr. Anwar Lal Deen (Senator), Rev. Fr. Saleh Diego, (Vicar General), Mr. Abid Sadiq (Director of Environment and Climate Action), Mr. Anwar Lal Deen (Director of Environment and Climate Action), Mr. Anwar Lal Deen (Director of Environment and Climate Action), and Mr. Anwar Lal Deen (Director of Environment and Climate Action), attended the event.

**Climate Action in Karachi**

Caritas Pakistan Karachi in collaboration with "TEAKE Enformactor" launched its campaign for climate action in Karachi. The campaign aims to raise awareness about climate change and promote actions to mitigate its effects.

The campaign was launched at a ceremony attended by government officials, NGO representatives, and members of the public. The event was attended by Mr. Anwar Lal Deen (Senator), Rev. Fr. Saleh Diego, (Vicar General), Mr. Abid Sadiq (Director of Environment and Climate Action), Mr. Anwar Lal Deen (Director of Environment and Climate Action), and Mr. Anwar Lal Deen (Director of Environment and Climate Action).

Mr. Anwar Lal Deen (Senator) said in his keynote address, "Climate change is a global crisis that affects all of us. We must take action now to reduce our carbon footprint and protect our planet for future generations." He called on everyone to join the campaign and make a difference.

Rev. Fr. Saleh Diego, (Vicar General) said, "We need to be proactive in our approach to climate change. We must take steps to reduce our carbon footprint and protect our planet."

Mr. Abid Sadiq (Director of Environment and Climate Action) said, "We must all take responsibility for our actions and work together to address climate change."
